Under that circumstance you must amend the complaint. Accordingly, you have the authority to amend the complaint immediately but not do anything that would in any way dismiss the complaint.

Just an FYI, we received a call from the City of Las Vegas attorney. The complaint names the City of Las Vegas. The City attorney stated that Metro Police is an independent entity and that they need to be named in the complaint which was filed. As such, if the SOL is today, the complaint needs to be amended. I am not doing that as you have instructed me to take no further action.

Sincerely,

Cory A. Santos, Sr., Esq.
